

Your Delta Dental benefits, at your fingertips!

The **new** Delta Dental Mobile App helps you get the most out of your dental benefits anytime, anywhere. Use the dentist search or toothbrush timer without logging in, or enter your username and password* to securely access your personal benefit information.

» Dentist Search

Find a dentist in your plan/network, narrow the list with criteria like 'language spoken' and 'specialty', and even find a dentist nearby using your current location. After you pick a dentist you can save the contact information and get directions.

» Mobile ID Card

No more paper! Provide your dentist with the information he or she needs by accessing your ID card right on your phone.

» View Coverage & Review Claims

See your plan type, benefit levels, deductibles, maximums, and more. Check the status of recent dental claims for you and your dependents. To keep this information secure, you'll have to log in each time. No personal information is ever stored in the app.

» Toothbrush Timer

Make sure you brush for the recommended two minutes with this handy timer that can use a song from your phone or a pre-loaded tune to keep you going.
